IRD Update

IRD will no longer be accepting cheques from 1 March 2020

IRD have contacted Agents and clients to advise that from 1 March 2020 they will no longer accept payment by cheque, or cheques dated after 1 March 2020, from customers who are able to pay another way. Other payment options that should be used are:

myIR: Direct debit and card payments can be made from myIR.

Online banking: One-off or scheduled recurring payments can be made using online banking.

Credit or debit card via our website: Payments can be made by credit or debit card through IRD's secure payment website. Go to the IRD website and search for "Make a payment" and select "Pay using credit or debit card".

Westpac: EFTPOS or cash payments can be made at any Westpac branch or Smart ATM.

Correspondence from IRD

There is still a lot of correspondence being sent directly to our clients from IRD. The latest being in relation to Tax Codes, and Secondary Tax Codes in particular. Please, if you are concerned about anything that has been sent to you, give us a call and we can have a look at it and take the necessary action if required.

MYOB are decommissioning AccountRight 2019.1 from 7 November 2019

MYOB have announced that from 7 November 2019 clients using MYOB AccountRight 2019.1 will no longer have access to their company file online if they have not upgraded to the most recent version by then. We recommend you upgrade your online file as soon as possible to their latest version which is AccountRight 2019.3. If you have any queries or need help, don't hesitate to give Beth a call here at WBB on our main line.

New WBB Website

If you haven't seen already – we have updated our Website.

If you use our secure area, there are no changes to its operation. Our secure area is another way to upload files and records to us in a secure environment. It's a great tool to use if you are sending us backup files, pdf's, spreadsheets etc in bulk. If you'd like to learn more about our secure area, or would like to sign up. Please give Jo Mason a call here at WBB and she will assist you.

We are looking forward to settling Ruvy into the WBB way over the coming months.
